yesterday.

STEUBEN.

BRADFORD.

County Treasurer Hedges' Sons Home From Wisconsin.

Bradford, July 14.—Fred and Claire Hedges, sons of County Treasurer Hedges of this village, are home for a short visit. They have both been in Wisconsin for the past two years. Fred has been teaching in Marinette, while his brother, Claire, has been attending the Wisconsin State Normai School at West Superior.

W. Scott Ide, the popular baseball pitcher of this village, is pitching for the National Science Camp Club on Canandaigua Lake for the summer.

The new music hall, built by Mrs. G. C. Merriman of this place, was used for the first time Saturday evening, when the ladies of St. Andrew's Church served ice cream to a large number. The receipts for the evening were about $20.
